Budding Swimming Champions!

Last Friday 9th March Mai Vu, Anderson Liew and Angela Liew represented Lyndale Greens Primary and the Greater Dandenong District in the Division Swimming Sports at the Noble Park Pool.

For the second year in a row Mia won the Division Age 9/10 50 m Freestyle event in 34.91 seconds and the Butterfly event in 42.25 seconds, which qualifies her to compete in the Regional Swimming Championships on Wednesday 28th March. Good luck in the Regional Championships Mia. Anderson and Angela Liew also performed very competitively and showed great courage in their performances on the day by almost winning their events. Anderson came 3rd in the Age 9/10 50 m Freestyle

event with a time of 58 seconds and Angela came 2nd in the Age 11 50 m Freestyle event with a time of 52 seconds. Fantastic efforts Anderson and Angela!!

Like Mia, Anderson and Angela train every week at the Dandenong Oasis Pool and their aim is continually improve their performance in the pool and participate in many swimming championships in the future.

Congratulations to all three of our budding swimming champions. We hope your performances encourage you to continue your dedication to hard training and qualifying for many swimming championships in the future.

We are all very proud of you!!! We also hope your efforts and awards encourage many other students in our school to strive hard to develop their sporting skills, personal fitness and talents.

Learning The Joys Of Playing AFL Footy

Last Friday 9th March our Year Five and Six students met Sebastian Gargana, the Multicultural Development Officer from Melbourne Football Club, and his team of experienced AFL/VFL players who came to show our students how to develop their AFL Footy skills and learn how to play the game.

Those students who are training to be in our AFL team at our first Gala Sports Day on Friday 18th May worked very tirelessly to develop their skills and learn how to play as a team. They will continue to

work with Sebastian and his team of coaches for the next six weeks so we are looking forward to seeing their performance on the Gala Sports Day.

In the coming weeks all of our other Year Five and Six students who are training for the other sports on the Gala Sports Day (Basketball, Netball and Tee Ball), will also be given the opportunity to develop their skills and understanding of the game which we hope many more students will adopt as one of their favourite games.

Grade 3 stories about 'Found'

Yippee! I'm going to a picnic in the woods. I screamed "bye mum, bye dad" and I set off with my brother. We had a race to see who could run the fastest. Then I found a mysterious pencil on the ground. I picked it up and I went home with my brother. Then we drew on a piece of white paper and my drawing came to life. Then I was hungry so I asked my mum if I could have some crimson jelly but my mum shouted "NO!" I drew a picture of the crimson jelly and it came to life so I ate it all up.

Later that night I hid that magical pencil under my pillow. The next morning my mum told me to do my boring homework so I made my pencil do it for me while I watched T.V. and ate popcorn. That night I forgot to hide my magical pencil, mysteriously my magical pencil rolled down on the floor. It went on the road and then it went on a ship. The next morning I noticed my pencil was gone! I checked under the

table, I checked under my pillow and I checked EVERYWHERE but that means I have to do everything by myself again now.

OMG!, its hot like the sun exclaimed Linda and Mrs Malcolm.

Linda shouted, "Mrs Malcolm, I've found a pyramid, there's a button on it. So Mrs Malcolm pressed the button and inside was a treasure. When Mrs Malcolm and Linda touched the treasure, the door slammed shut as loud as thunder and lightning. Linda and Mrs Malcolm banged on the door, just like a hammer banging on the roof. Next Linda and Mrs Malcolm though of an idea. Linda and Mrs Malcolm got the beautiful gold and started to bang the door as hard as they could, then Linda noticed a small crack.

After that, Linda called Mrs Malcolm, "come, I've found a small crack, lets hit it here." Finally, Linda and Mrs Malcolm got out. Now Mrs Malcolm and Linda got on the plane to go to New Zealand.

"What is that?" asked Yusra." It is a beautiful shiny golden key. I wonder where it came from? Maybe it fell from the sky".

There is something under the ground that is really hard. I wonder what it will be underground? Maybe it is a treasure chest.

Now I'm going to start digging. Dig, dig and dig. Done, there is a treasure chest. Let me get it. It is so heavy! Finally, I got it. I opened it. Click. Let's see what is inside. Is that a teleport?

I'm so going in. Ahhhhhhh! Is this candy world and is that the gigantic gummy bear?

I'm so going to eat that.

"Mmmmmmm. That is delicious. It is sour apple flavor. Then I ate mini gummy worms. A few minutes later, I'm so full. I'm not going to eat anymore.

There is the teleport. Since I brought my bag, I'm going to put some lollies in it. There is even Coke. I went to the teleport. Ahhhhhh! I'm back home. I'm going to put this under my bed so I will never lose it.

I wonder what this beside it? It is buttons to press to go wherever you want to go and I went to Lolly Land.

Next I'm going to go on a big cruise! I'm going to tell my whole family about this treasure chest. I'll keep it under my bed. **by Yusra 3A**

I was walking in the streets. I jumped when I had a house key go into my shoe. Someone screamed out, "That is my house key!" So I had to open the house. It was huge.

Suddenly I started to shrink. Then I pressed a button. It made me go back to normal. Then the floor shook. I was in the sea! I was so tired. I saw a door and opened it.

Then it was pitch black. I shouted "Hello! Is anyone in here?" But unfortunately, no one was there. It started to get more scarier by the second. Then I slept. It got bright. I saw a gun and broke the walls to go back home.

Then there was a monster! "Ahhhhh!" I screamed. Luckily I saw a car key in the house and 200 million dollars. I grabbed it and went in the car. The monster was still chasing me. I put the car to the

fastest speed and I went into the car shop.

I saw a Devil 16, so I bought it and drove it at its highest speed. The monster fell down as the wind it made was so strong that it made it fall down. It used its wings and almost broke the windows of the car, so I had to go extremely fast and I whispered "You have to go faster than that!" He grabbed all of the houses bricks and threw them at the car.

Then I asked him, "Do you want to have a race?" He answered "OK. I decided if he wins he can destroy the world and if I win he cannot harm anyone. It was to the trees. I shouted "3,2,1, go!" The monster and I raced. I won easily so he went to a pit of darkness.

"Hooray!" the people cheered and everyone was happy. *by Reed 3A*

Hooray! It is the first day of school.

On the first day of school, we got to play for six hours. My friends Merwa, Illaha and Donya were very excited.

Ding! Ding! The school bell rang. My fabulous friends and I rushed outside. When we were walking to the playground, we found a secret maze. Then we went in the maze and found a treasure chest. So, we opened the treasure chest and found....Sixty four giants. Merwa rushed to Miss Dymond who was on yard duty. Miss Dymond told me to go to the office with Merwa. Lucia yelled "Where are you going I such a hurry?" "We are going to the office", I replied. Then we went to the office and called the police.

The police came. There were 64 police officers and they all took one and put them in jail.

Those nasty giants were never to be seen again! The first day of school was horrible. *" by Fatima*
