On **Thursday 10th of May**, we will be holding our annual Mother's Day Stall. We will have gifts ranging from \$1.00 to \$6.00.

There will be a range of items for students to choose from. It is a good idea for children to bring a plastic bag or another bag to carry their gifts. For children in the younger grades (prep -2) it is also preferable that parents place their child's money in an envelope with their name, grade and amount in the envelope.

Student Absences – New SMS Alerts for parents

From the end of Term 2, ALL schools are required to contact parents/guardians as soon as practicable on the day of a student’s absence, when the absence is “**unexplained**”.

In the next few weeks we will start to implement an SMS text message alert to parents if their child is absent from school. If you have already notified the school that your child will be absent, you will not receive the SMS text message.

If you have **NOT** contacted the school to notify us that your child will be absent, you will receive the text message.

The school will send home a letter to parents before we activate the SMS absence alert.

Writing from Grade 3 - Imagine

One day there was this ordinary girl called Amillia. She woke up one warm morning and went out into town. Whilst she was in town, she found this hard, blue ball just lying on the hard ground. She picked it up and she tapped it three times. Then something scary happened! The ball made beeps! Then 3,2,1... BANG! The ball exploded loudly and the town became Cotton Candy World!

Next, Amillia said “Wow, this is amazing!” Amillia went into the cotton candy and inside was cotton candy and unicorn sensation. There was a candy cane tree. She climbed it and when she was on the top of the candy cane the air was so sweet. She climbed down.

After she climbed down from the candy cane she went further in. When she went in she found there was a unicorn that couldn’t go into the race! So, Amillia went for the risk and rode that unicorn and they won! Yay!

After the race Amillia thought it was time to leave but she couldn’t find the ball! After one hour she found the ball and tapped it three times. After that she was back in town and walked home, had dinner and then went to bed. She had a wonderful dream about her day that day. **by Amillia in 3A**

One day I was eager to go to the Ancient Museum. When I arrived, I saw an ancient book. It looked delicate, dusty and of course it was ancient. I softly rubbed it.

All of a sudden, I was in a castle with red banners and golden detailed objects. Then a robber came. He was acting very sly. One knight reported that the enchanted sword was gone. Until a loud deep voice shouted “INTRUDER!”

Unfortunately, that was when the king announced that I was the robber. I was stuck in a thick obsidian cage. Luckily, I carried a drill and titanium that broke obsidian, iron and platinum. Eventually, I was out and I saw the robber. The problem was I couldn’t get him. I forced the king help me.

Eventually, I did it. The knights and I made an invention that teleported us to him. He was captured. Then I got a gadget that immediately got me back to the museum and there was where my adventure had started, in the ancient museum. **’ by Keyda in 3A**
